

I-405 Sepulveda Pass Improvements Project

Segment 3

Construction Notice: Skirball Bridge Construction

June 19, 2013

SUMMARY

The contractor is scheduled to implement full directional freeway closures to install girders for the Skirball Bridge on the nights of Tuesday, June 18, through Friday, June 21, 2013. In addition, the Mulholland Bridge will be closed concurrently on the nights of Wednesday through Friday in order to erect forms for the upcoming concrete pour. See information below regarding closure location and schedule.

ESSENTIALS

Each night, ramps within the freeway closure limits will begin to close as early as 7:00 pm and freeway lanes will begin to close as early as 10:00 pm, leading up to the full directional freeway closure between the hours of 12:00 am, midnight, to 5:00 am.

For Friday night, the full closure will occur from 1 am to 6 am.

WHAT TO EXPECT

Emergency vehicle access will be maintained. Pedestrians will be rerouted to a safe area outside of the construction zone.
